Rescue Squad Gives Aid In Five Accidents Over Last Week-End in Area

Eight People Hurt in Auto Crashes; One Is from Antioch Firm

The Antioch Rescue squad gave aid to eight injured persons in five separate auto accidents over the week-end.

Only one Antioch person was hurt, and he was Donald Gage, driver for Scott's Golden Glo Guernsey dairy, who received an injured back when the dairy truck in which he was riding and which was driven by Robert Mulligan was driven into a deep ditch to avoid a head-on collision with a car driven by an unidentified woman. Mulligan was unhurt.

The accident occurred Saturday afternoon on Rte. 173 at Bob Webb's boat house. The truck was going east and the woman going west started around a truck and would have met the milk truck head on had it not veered into the deep ditch at a culvert.

The woman did not stop and word was sent to Woodstock to be on the lookout for her. Ray Horton, manager of the dairy, said the damage to the truck would be \$250.

Crashed into Bridge
The squad also gave aid to four persons who were injured shortly after midnight Sunday when a car driven by Fred Ferger, 21, of Elizabeth ave., Zion, crashed into a bridge spanning the Des Plaines river on Rte. 173 near Rte. 41.

Ferger sustained a fracture of the right arm and cuts on the face, head, legs and body. The three others who were badly cut and bruised are Louis Bristas, 20, of near Waukegan; Dorothy Paulsen, 20, Zion; and Mary McMillan, 20, Zion. They were taken to Victory Memorial hospital by the rescue squad.

A three-car collision on Grand ave. near Rte. 45 Saturday resulted in multiple injuries to Edward Kowalski, 25, of 2012 Dickey ave., North Chicago, and Mrs. Alice Sullivan, 39, 4951 Eddy ave., Chicago.

The accident occurred when Frank Dowell, Grayslake, driving west on Grand ave., swerved across the line and sideswiped a car driven by John Sullivan, Chicago, and then continued to sideswipe Kowalski's car, finally crossing a lot and crashing into a silo. The squad took Mrs. Sullivan and Kowalski to Victory Memorial hospital.

Brought to Antioch
Joseph M. Bertie of Waukegan, received cuts about the face when the car driven by Verne J. McIntyre of Zion crashed into his eastbound car on Grand ave., near Crooked Lake Sunday morning. Mrs. Jennie Bertie also suffered chest injuries in the accident. They were brought to the office of Dr. Calvin P. Midgley by the Antioch squad to have their injuries dressed.

Dr. Midgley also treated Mrs. Emily Depenbroch of Chicago for injuries she received Sunday morning when the car in which she was riding with her husband, Frank Depenbroch, crashed into another car on Rte. 173 at Tiffany rd.

Swerving to avoid a car which had stopped suddenly in front of him, Merle Ford of Zion sideswiped a westbound car driven by Joseph H. Cook of Waukegan on Grand ave. at Rte. 45. Mrs. Evelyn Cook was injured on the right knee.

Successor to Henslee Not Yet Appointed, So Dist. Supt. Will Preach

With no appointment of a minister to fill the pulpit of the Antioch Methodist church made as yet, Dr. W. E. Bradburn, northern district superintendent, will preach Sunday morning.

Appointment of a successor to the Rev. W. C. Henslee who retired at the conference last week, will be made by the bishop of the church in a week or two.

The Rev. and Mrs. Henslee expect to leave Saturday for their summer cottage about 15 miles from Rhinelander, Wis., where they will spend a week or two. Their plans for the future have not as yet been made.

When the appointments were announced Sunday at the conference in Rockford, the bishop announced that the Antioch pulpit would be supplied later.

Mrs. Sidney Kaiser, a resident of Antioch for many years, now of Niles, is critically ill at the Michael Reese hospital in Chicago.

Norman Lynch Hired as New Night Policeman

Antioch is to have a full time night patrolman.

The village board in special session Wednesday evening responded to a long standing request of Antioch business men that police protection be afforded at night.

Norman E. Lynch of North Chicago has been given the job. Lynch, a husky experienced patrolman, has the endorsement of North Chicago police as to his ability. He will furnish a car for patrolling.

Lynch's appointment is for three months as a matter of trial.

Demand for a night watchman was voiced last year but there was no response because of lack of funds. The new council has found a way to supply the need at a cost of \$250 a month.

No Automatic Raises In Rents According To Norman Nicholson

With the signature of President Truman on the Housing and Rent Act of 1947, making its rent sections effective July 1, the Waukegan rent office continued to administer rent controls in Lake and McHenry counties and will answer questions landlords and tenants have made about the new act, it was stated today by Norman Nicholson, Area Rent Representative.

"It is important to remember that maximum rates remain just where they are under the old law. There is no provision in the new act that changes rents automatically," said Nicholson.

He explained that a tenant pays the same rent in July that he did in June unless there has been an order issued subsequently, or unless he has voluntarily entered into a lease with the landlord as provided by the new Housing and Rent Act of 1947.

"The new act provides that when a landlord and tenant voluntarily enter into a valid written lease on or before December 31, 1947, and expiring on or after December, 1948, an increase of up to, but not more than 15 per cent of the maximum rent in effect immediately before the effective date of the new lease, is permissible," said the rent official.

Copy of Lease Filed
Before any rent increase becomes effective under such a new lease, he pointed out, a copy of the lease must be filed with the rent office, within 15 days of its signing, together with a simple registration-of-lease form which landlord can obtain at the rent office.

It will be the duty of the rent office to examine the lease carefully to determine if it is valid. The lease cannot, according to the rent official, contain any trick termination and penalty clauses, nor can it decrease the essential services, furniture, furnishings and equipment. The rent office will forward copies of the registration-of-lease form both to the landlord and tenant for their records.

Nicholson emphasized that "it is up to the tenant to decide whether he wishes to sign a rent increase lease."

No Eviction for Refusal
He added: "If a tenant does not wish to enter into such a lease, refusal to sign does not constitute grounds for eviction."

Specific protections against evictions contained in the new law were explained by the rent official as follows:

"In general, the tenant who continues to pay the rent to which the landlord is entitled, has no more reason to fear eviction than before. Eviction controls of the act will be enforced by the local courts."

"The previous waiting period of from three to six months before tenants can be evicted when a house is sold will now be determined by local court. Evictions to allow occupancy by others are limited to personal occupancy by the buyer or the landlord himself. Other conditions under which evictions may be made are very specific in the law."

May Have Local Board
Nicholson also mentioned that the new law provides for a local advisory board of representative citizens which will be appointed by the national housing expediter on the recommendation of the governor of the state.

"When this board is appointed," said the rent official, "its duty will be to make decontrol of the area, the adequacy of the general rent level in the area and the operation of the local rent office, with special reference to hardship cases. The board may consider adjustment cases coming before it and make recommendations to the rent director. All recommendations must be consistent with the act and the rent regulations."

Telephone Rates In Antioch Area Upped 25c to \$1

Service Increases Go into Effect July 11, Tolls on July 1

Increases in telephone rates granted by the Illinois Commerce commission will raise the cost of service from 25 cents to \$1 a month in Antioch and vicinity according to type of service, J. M. Littler, manager for the Illinois Bell Telephone Co. announced today.

The increase will go into effect July 11.

The new monthly rates will be as follows:
Rural residence, \$2, was \$1.75; four-party service \$2, was \$1.50; two-party residence, \$2.25, was \$1.75; individual line residence, \$2.50, was \$2; rural business, \$2.50, was \$2.25; two-party business, \$3.75, was \$2.75; individual business line, \$4.25, was \$3.25; summer cottage service, \$3, was \$2.50. There are no changes in residence or business extension.

Rates on long distance calls going outside Illinois are not affected, according to the telephone manager, and rates on out-of-town calls between Illinois points are increased slightly. The standard three-minute initial talking period which now applies on calls costing 30 cents or more will apply on calls taking a 15-cent or higher rate. The five minute initial talking period will apply on calls taking the 10-cent toll rate, which will be the lowest standard rate for any toll call.

Decline of earnings since 1940 and recent increase in wages of employees were ascribed as the reason for the request for the increase and for its grant.

Stearns Says Fireworks Are Legally Sold Here

Lake county dealers in fireworks in the vicinity of Antioch are obeying the law by not selling any prohibited products, James Stearns, deputy state fire marshal announced yesterday.

Informed that there was illegal sale of fireworks in this area, Stearns said he went to the Brogan stands southwest of the village and at Loon Lake and found that their stock consisted of sparklers, snakes and small firecrackers which are permitted under the law of the state.

Stearns said that his instructions told him to prohibit any firecrackers over an inch and a half in length.

Across the line in Wisconsin where a different law exists fireworks are being sold that would be prohibited in Illinois. The firing of this type of fireworks is illegal in Illinois regardless of where it is purchased.

Round Lake Park Stages Boxing Bout to Raise Money for a Gymnasium

Fights are in vogue for the citizenry of Round Lake and nearby localities, when the spattering of gloves will resound between twofight amateur boxers, who will appear at the Round Lake Arena, Saturday night, July 5th, and every Saturday thereafter.

Promoter Gene Engel associated with the Round Lake Park Men's club are sponsoring these fight-productions and will endeavor to present the best amateur fighters and future golden gloves champions there.

Proceeds from these weekly Saturday night fight jamborees will be used to construct a gymnasium, which in turn will be a great asset to the well-being of the Round Lake area.

A crack squad of pugilists coached by former World's Bantam-weight champion, Johnny Coulon, will meet capable opponents from in and around Chicago.

Russell Turner, Diamond Glove welterweight winner; Herbie Schoenbaum, 140-pound protege of Coulon's, will be featured in two five-round conflicts, against suitable opponents.

Dick Madsen, heavy-fisted welterweight is being sought for Turner. The main attraction, in one of the six three-round bouts, will pit Punjab, 270-pound gladiator from Coulon's gym against Wilmer Spikes, of the Ring-side Gym—Spikes weighs 215 pounds.

Masons Visit Chicago Lodge
Twenty-five members of the Antioch lodge went to Chicago Monday night where they were guests of Malta lodge. They gave degree work in which the Master Mason degree was conferred on two candidates. The trip was made in a chartered bus.

July the Fourth

Legion Prepares For Carnival Next Week; Expects Big Crowds

Committees are rapidly completing their plans for the American Legion carnival next week.

The big gala affair is to start on Thursday and last over Sunday and the Legionnaires say there won't be any dull moments. All they ask is a continuation of the fine weather of the last few days.

Five rides of the latest type have been promised by the Skinner Amusement Co. of Crystal Lake. Henry Ruggles of Elgin will furnish 50 booths that will be operated by members of the post.

The carnival this year will be situated on the west side of the Ackerman grounds facing Orchard street, and the east portion of the grounds will be used for parking purposes. The committees in charge of the event are:

Roman B. Vos, general chairman; Everett Hatfield, assistant chairman; William E. Brook, assistant chairman; John Horan, ground chairman; Edward Frazier, assistant ground chairman; F. A. Swenson, Robert Taylor, C. J. Cernak, Jr., Richard Eckert, Walter K. Hills, and Edward Janneke. Automobile committee — F. A. Swenson, John L. Horan, Walter K. Hills, Richard Eckert, and Everett R. Hatfield.

Legion Auxiliary—Mesdames Swenson, Horan, Eckert, Hatfield and Kennedy.

Theft of Church Offering Makes Necessary Closing of St. Ignatius' Church

St. Ignatius' Episcopal church has announced with regret that the doors of the church will be locked each evening and every time during the day that the priest in charge finds it necessary to be away from the rectory.

This action was necessary, it was said, because someone broke into the sacristy and stole Sunday's church offering. This was the first time that money has been left in the sacristy and it was considered singular that the theft should have occurred then.

Church officials hope that the person who took the money will return it so that the church can resume its policy of having the church open at all times. The offering may be returned, they said, to the Rev. E. William Strauser or to Mrs. John Horan and no questions will be asked.

Liquor License Granted

On recommendation of its license committee the village board Tuesday evening granted a liquor license to Mrs. Grace Bluhm.

Mrs. Bluhm, former owner of a tavern at 932 Main st., plans to open a cocktail room and bar at the Mortensen hotel.

The committee reported that she had made good all qualifications.

Flower Garden Beautiful

A beautiful bouquet in the window of the Antioch News gives evidence of the beauty of C. K. Anderson's flower garden.

The bouquet consists of delphinium with stems 8½ feet tall, day lilies and Shirley poppies. The delphinium are in many shades of blue, and the poppies are in white, yellow, variegates, red and orchid.

The Rev. and Mrs. W. C. Henslee are leaving Saturday for their summer home at Rhinelander, Wis. They expect to spend the summer there.

Appropriation Ordinance Totalling \$10,848 Gets Nod From Village Board

Water Main Improvement Petition Planned for North Avenue

The village board on Tuesday evening passed the annual appropriation ordinance in the sum of \$105,848.

Since the special meeting in which the appropriation measure was set up, it was learned that \$1,500 set aside for water works depreciation is not considered an expenditure and that sum was deducted.

H. E. Cardiff of the Regal China Co. told members of the board that his firm is having trouble on fire insurance rates because of the lack of sufficient water for fire protection. The area serving his plant has but a 2-inch line when a 6-inch main is needed.

Told there has never been any petition from the area for large mains, Cardiff said he would institute one. A hindrance to better water and sewage facilities in the factory's region is that those on the north side of the highway are outside the village limits and those on the south side must bear the expense alone.

Employs 65 persons
"We have 65 persons, mostly Antioch people, employed at our plant now, and the loss of the factory would mean something," Cardiff said.

President George B. Bartlett said that a 6-inch main in the area is badly needed; that when the present line was put in no factory district existed and it never was realized that one would be established.

A culvert promised by the city never was built and as the result the excessive rainfall recently caused the factory to be flooded, Cardiff said.

Engineer Victor H. Kasser of Elgin after surveying the state maintained streets in Antioch estimated the cost of surface treatment at \$3,199.72. This amount will be sought from the state motor fuel tax fund.

Antioch Firm Rids Sale, Carnival at Lake Villa of Mosquitoes, Insects

The clapping of hands at the Lake Villa Men's Community carnival this week will be applause, not mosquito killing.

George Wagner of the Antioch Milling company has assured the people who attend the auction sale and carnival which starts this evening at the Lehmann park in Lake Villa that they will not have to worry about insects. He has sprayed the grounds with DDT.

His company is contributing to the success of the event through the gift of the spray. "We know the crowd will be comfortable and will have a better time if they don't have to worry about mosquitoes," Wagner said.

The sale of merchandise contributed by merchants of this area is expected to be largely attended this evening. At the conclusion of the sale there will be free vaudeville and lunch stands will be open, but not carnival stands. The carnival stands will be open on Friday, Saturday and Sunday.

The club members put up the booths and contributed of as much labor and materials as they could so that they would have more profit for their youth activities fund.

Many Delinquent Water Bills, Officials Report

There were smiles among the members of the village board of trustees Tuesday night as President George Bartlett proceeded to read a list of persons who were delinquent in their water bills, for there were business men and professional men in the long list.

Suddenly the smiles changed to loud guffaws.

Bartlett read the name of one of the trustees.

Delinquent bills for the quarter amounted to \$394.16.

"It is not the greatest amount, but the longest list I have ever seen," said Bartlett, who took this means of warning some that their water bills are past due and that some who are far in arrears had better pay up.

Priest Provided Assistant

The Rev. Frank Gilbride of Chicago is assisting the Rev. Francis M. Flaherty at St. Peter's Catholic church this summer. The large number of visitors in the community during the summer months calls for more services by the church.

Boy Scouts Challenge Lions to Baseball Game; Defeat Future Farmers

The Boy Scouts have challenged the Lions club to a baseball game under the lights at the high school.

Roman Vos, Lions club official, said that the challenge has not been officially communicated to the brethren in the club, but that he would do so, and he expects the challenge to be accepted.

The Scouts are quite confident of their ability following the game Tuesday evening in which they defeated the Future Farmers 30 to 22. There was plenty of hitting, a reasonable number of errors and a lot of scoring.

New Fire House Planned For Early Next Autumn; New Truck to be Bought

Construction of the fire department section of the new village building is planned by the village board for autumn.

Figures produced by the architect and read in the board meeting this week place the cost of the fire house alone at \$15,539. This would place the cost of the rest of the building at \$56,000.

The fire house, situated at the western portion of the city property will be 38 x 40 feet in dimension and will face Orchard street. It will be of one story and will have a basement for meetings.

Need of the building is hastened by the planned purchase of a new fire truck. Bids for the chassis of the new truck are to be opened this evening and later equipment will be bought to suit the needs of the department. The present fire house is not large enough to house the new truck.

Official permission was given by the board to sell old No. 1 truck for whatever it will bring. The truck which has seen much good service in its day is now unfit for any kind of service the department might need it.

Recreation Program Is Under Way This Week

Antioch's recreation program started off successfully and scores of children are enjoying a well organized play and handicraft work.

On Monday, 50 children went to Sherwood park for an afternoon of swimming. This afternoon group will continue swimming parties on Mondays.

Handicraft work so far on Wednesday has consisted of making drums from tin cans and inner tubes, making bracelets, lanyards, key chains, and belts of lanolace.

The rest of the time has been spent in playing games.

This afternoon the group met at the school and went for a hike, taking luncheons with them. There will be no recreation activities tomorrow, Friday.

Legion Elects Officers in Meeting Held Tonight

The annual meeting of Antioch Legion post No. 748 will be held this evening with the election of officers scheduled as the most important item on the agenda. A large attendance is expected.

Delegates and alternates selected by the post will attend a tenth district meeting of the Legion at Waukegan Friday, July 18. Commander Everett R. Hatfield will be a candidate for the office of district junior vice commander.

While You Read

In about the time it will take you to read this brief article, a fire will occur somewhere in the United States. Thousands of dollars worth of property will be destroyed. And it is very possible that someone will die a horrible death.

The National Board of Fire Underwriters states that a fire alarm is sent in every 53 seconds—and a fire breaks out every 57 seconds. Each day, the property loss runs into the millions, and several lives are lost. Finally, for each death, there are four injuries.

This is the record for an ordinary "quiet day." On days when spectacular fires occur, the toll of death and destruction soars far beyond the average.

The fire that is in progress while you read this may be far away. But the next fire may be in your home or your place of business. Destructive fire has no favorites. It strikes without warning—and no property and no life is safe from it.

Fire is a terrible challenge to the American people. That challenge can be met only if all the people understand the causes of fire—and act accordingly. The alternative is an ever-increasing toll of death and destruction.

* * *

If We Value Freedom

Americans read with trepidation of the accelerated trend of Europe toward autocratic government. Hardest to understand is the fact that the trend is continuing in countries where the people still have some freedom of choice. In these countries the people are much like the people in the United States. They abhor the cruelties and oppression of dictatorial government. If the issue were put squarely to them in a freedom or slavery challenge, they would react as any sane American would. The trouble is that this grim issue is never squarely presented. Development of total government is the result of an accumulation of little expediences finally ending in dictatorship.

Events have occurred in the United States which in other nations were preliminary to total loss of liberty—such as seizure or government domination of basic industries, a growing dependence on the central government for all manner of local services, and widespread abandonment of state and civic initiative.

Recently in Finland under the polite sounding phrase of "land reform," the government confiscated

all large farms, paying for them in worthless money. One immediate result has been a disastrous drop in Finland's milk production. We say nothing like this could happen in this country, yet look at the American electric industry. The intrinsic right of private property in this industry has had precious little consideration for a number of years.

The investor-owned electric industry is up against a long-range program of tax-free Federal competition whose main objective is socialization of electric power. What this would mean to the workers alone in this vital industry may be gathered from a news report on an attempted strike of French utility workers—France is well along toward state socialism. The Premier "advised" the workers not to strike. According to a press release, "he said they were no longer working for employers' profits but were directly serving the nation, and by interrupting services they would not be hindering an employer but directly harming the nation's interests." The Premier did not say so, but strikes against government are revolution. They are either put down—by force if necessary—or the government falls. And so what might have been a simple disagreement between employer and employee becomes a bloody revolt or ironfisted political oppression. Either leads to dictatorship.

Everyone should form a hard and fast rule in judging any great public question: Is it right in principle? Expediency must never be considered—if we value freedom.

* * *

Oil for the World

There is plenty of oil in the ground, an expert recently pointed out, to meet the world's enormous requirements. The problem is to build and expand the facilities needed to produce, refine and transport it.

That is why the oil industry's current development program is the greatest on record. Most of the plants constructed during the war were for special military purposes—such as the production of aviation gasoline and tuluene for TNT—and are of little value for peacetime use. As a result, the industry is devoting all of its energies to new drilling programs, and the construction of new pipeline systems, refineries and other facilities. The goal is to meet consumer needs with a minimum of dislocations.

In addition, the industry has an intensive program for improving oil recovery, and for getting the maximum amount of usable products from each barrel of crude. Competition between the thousands of companies making up the industry is extremely keen. The company which stands still will have small hope of survival.

Our own oil needs have risen 28 per cent since 1941, and the appetite of the rest of the world is voracious. American enterprise—here and in foreign lands—is meeting the problem with typical American initiative. The industry, with its wealth of resources and technical "know-how" is confident of success.

Mrs. Alice Bennecke and daughter, Thory Fay, came last week from Florida to spend a few weeks with her grandmother, Mrs. Daisy Riney. The Benneckes intend to build a permanent home in Florida.

Patsy Brock, Yvonne Gindieh, Jeanne Burt, Donna Martin, Ellen Bauerle and Marilyn Mix attended the Girl Scout camp at Druce Lake last week.

Mr. and Mrs. William Walker were Waukegan visitors on Monday. Jimmie and David Ellis of Belvidere are spending this week with their grandparents, Mr. and Mrs. B. Hooper, while their parents, Mr.

and Mrs. Traver Ellis, are on vacation. Mr. and Mrs. Bernard Schneider are building a new home on McKinley avenue in Lake Villa, near the Walter Schneider home.

W. S. C. S.—First and third Wed-

nesday of each month.

W. S. C. S. met Wednesday afternoon this week at the Paul Avery home at Cedar Lake for the quarterly pot luck dinner to celebrate the April, May and June birthdays of members and friends and to hold the regular business meeting and plan further for the annual summer sale of fancy work, aprons, rugs, etc., in connection with the "white elephant" sale and card party at the school gym. The regular luncheon will be served at one o'clock and card playing will start at 2 p. m. Doors will be opened at noon to continue throughout the afternoon, Wednesday, July 16. You will enjoy the afternoon, so come and bring your friends.

The Community Men's club is holding its summer festival this week over the Fourth of July holidays. Sale of many different kinds of goods and wares on Thursday evening and

games of all kinds, also free dancing on Friday, Saturday and Sunday nights. The club is doing a very much worthwhile job for our young people, so let us help all we can. The board of trustees of the Community church held a meeting at the parsonage Monday evening to discuss the necessary improvements at the church.

Mrs. Lulu Nelson is spending the week with relatives, the Sutton family, at Solon Mills.

Mrs. Ethel Wood, who has been employed at Allendale school for some time, left there after the graduation to visit relatives in Evanston, and expects to leave this week by bus to visit her sister at Spokane, Wash., during July and August.

Mr. and Mrs. Bunkelman and children, accompanied by Charles and Allan Hamlin visited the zoo at Milwaukee last Sunday afternoon.

The Rev. Dixon has announced the sermon topic for next Sunday to be "God—Sun and Shield" for the worship service at 11 o'clock and that there will also be a service of baptism for children at this time. Rev. Dixon has been assigned to this

church for the coming year.

The Royal Neighbors of Lake Villa will hold only one meeting each month during July and August, on the last Tuesday evening of the month, and on Wednesday, July 9, the R. N. Officers' club will hold a public card party at the home of Mrs. Mabelle Selter, with Mrs. Harriet Davis as co-hostess. The public is invited.

Ann Mattson represented the Cedar Lake 4-H girls at the 4-H Club camp at Rockford four days last week.

The LIGHT touch makes a happy home!

When your living room is bright with cheerful light, evenings at home will be more enjoyable for every member of the family. Fill empty light sockets with new, bright-burning bulbs today. Tonight dad will find reading the paper easier and mother's sewing will be less tiresome. Put young eyes at ease with proper light... brother's homework

will be done with unexpected promptness and sis will be proud to have the gang over for parties.

All your home will be cheerier... and safer too, when every room has adequate light. A well lighted hall extends

a warm and friendly welcome to your visitors, and lighted stairs mean a safer home for all. Family and guests alike find it pleasant dining in a room that's gay with light. Once kitchen work centers have proper light, mother's cooking, ironing, and dishwashing will be quicker and easier.

Check through your home for wrong-sized bulbs... exchange them for a supply of bright new bulbs today. Be sure every socket is filled with the proper-sized bulb, and make yours a safer, happier home for the whole family.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

HICKORY

Miss Marjorie Doolittle was the guest of honor at a bridal shower given her by Miss Shirley Edwards of Waukegan and Miss Shirley Wells, at the Curtis Wells home on Thursday evening. The bride-elect received many lovely gifts from the 25 guests present.

Mr. and Mrs. S. J. Handley have received cards from their son, George and his family, who are on a motor trip to Los Angeles, Calif.

Jerry Hunter arrived home Wednesday night, June 25, from his two weeks' vacation spent at Jacksonville, Fla., the guest of his brother, Ens. Russell Hunter, and wife.

Mr. and Mrs. A. P. Wells, Mr. and Mrs. Ed. Miltimore and children, Roberta and Roger, of Waukegan were Sunday afternoon callers at the Earle Crawford home.

Glen Irving left Sunday for a vacation at the 4-H Camp near Kankakee, Illinois.

Mr. and Mrs. Wilson King and baby of Whitewater, Wis., called at the E.

W. King home Saturday afternoon. They left Baby Christina with Mrs. E. King while they attended the Up-ton-Denman wedding at Millburn church.

Will Thompson was a Chicago visitor on Saturday. The Misses Helen Thompson and Vivian Gould returned from their vacation tour on Saturday afternoon. Miss Vivian was a guest at the Thompson home until Sunday afternoon, when she left by bus for her home in Rockford.

Mr. and Mrs. George Thompson and daughter, Miss Barbara Tasker of Waukegan were callers at the Will Thompson home Saturday evening.

Miss Caryl Tillotson from Rochelle and friend, William Holloda, and his parents, Mr. and Mrs. William Muel-

ler of Port Washington, Wis., were Sunday afternoon and supper guests at the Harrie Tillotson home.

Mr. and Mrs. Edwin Carlson and son, Edwin, Jr., Miss Margaret Christensen and Mr. and Mrs. Edward Tonnigan and their twins, Susan and Billy, all from Waukegan, were Sunday evening callers at the home of their friend, Caryl Tillotson.

George and Junior Miller, Wayne

Perry, Robert Hernquist, Joe Rush, Robert and Joe Kirby, members of the Antioch 4-H Club No. 2, attended the live stock judging contest held at the Curtiss Candy farms at Dundee and Cary, Ill., on Friday. They were accompanied by Mrs. Sam Hernquist.

Mrs. Agnes Stevens from Antioch visited the Gordon Wells family on Sunday.

12:00 Standard Time

We expect a trust load of cattle

40 HEAD OF SADDLE HORSES—These are horses that are well broke and ready to work for you. Most of these horses are gentle for ladies and children. We will have one registered trotting mare, 5 years old, sound and right. We will have some work horses.

200 CHICKENS—Just right for a nice fry; about 100 are fine pullets. **ONE 1937 FORD TRUCK** with stock rack, in good shape; one '39 Ford pickup truck in good condition. One set of team harness; 2-wheel horse trailer; a number of good western saddles and bridles.

If you have anything you wish to turn into cash, here is your chance. We have calls for combines and hay balers. If you have such, bring them in. Buyers will be here, ready to take them home. In fact, anything you have that you would like to exchange for cash, bring it in.

Bring your goods in early on day of sale. Everything must be settled for and taken away day of sale. **USUAL TERMS**

SOCIETY EVENTS

LEGION AUXILIARY HONORS

MR. AND MRS. F. KENNEDY
Mr. and Mrs. Frank Kennedy were honored guests at a meeting and surprise party given by members of the American Legion Auxiliary Friday evening, June 20, at the Legion hall. A luncheon was served to the forty guests present. A large wedding cake made a beautiful centerpiece for the table. The Kennedys received a beautiful silver cream and sugar set from the group.

Due to the Auxiliary members assisting with the Legion carnival, the regular meeting of July 11 will not be held.

Those attending the Past Presidents' dinner held at North Chicago July 1 were Mesdames Frank Kennedy, Otto Klass, John Horan, Anton Johnson, Walter Hills, Tom Burnette, Frank Harden, Evan Kaye and Lillian Hand.

MISS HARVEY HONORED AT SHOWER

Miss Alice Harvey was honored guest at a miscellaneous bridal shower given by Mrs. Winsor Dalgard, Misses Margaret Quilty and Rose Marie Zellhofer, at the Dalgard home on Bishop street, Thursday evening. Decorations were in garden flowers. Each guest brought a novelty gift. Luncheon was served to thirty guests.

MR. AND MRS. SAM RIES SURPRISED ON ANNIVERSARY

Miss Dolly Ries was hostess at a surprise party, given at her home Thursday evening in honor of her parents, Mr. and Mrs. Sam Ries, the occasion being their twenty-fifth wedding anniversary. A social evening was spent and a buffet luncheon was served the guests. Miss Ries presented her parents with two lovely table lamps.

PAST MATRONS ENJOY OUTING TUESDAY

Mrs. Eleanor Micheli and Mrs. Lillian Gaa were hostesses to the Eastern Star past matrons club at Herman's Resort at Grass Lake Tuesday evening. Dinner was served at 6:30 and cards were played following a short business meeting.

COOPER-ROEHAN NUPTIALS SOLEMNIZED

Miss Patricia Colleen Cooper of Kenosha, became the bride of Herbert Adolph Roehan, also of Kenosha, in recent rites held in the home of Arthur Bushing at Salem, Wis., Saturday, June 23. Mr. Bushing officiated. Mr. and Mrs. Charles Peters of Kenosha attended the couple. The Roehans left for a trip to Canada.

Chile's Large Bird
Chile has the largest flying bird in the world, the condor, specimens of which measure 10 feet from tip to tip of the outstretched wings. The condor is the national emblem of Chile and is represented on the coins of that country.

LIBRARY NOTES

Marian Rigby, Librarian
"Inside U. S. A." by John Gunther, is a journalistic tour of the 48 states in which politics, government, economics, and people are discussed. The conformity and diversity of the country are realized as one travels with Mr. Gunther from the west to the east and from north to south. He saw and talked to as many people as possible and gives pen sketches of well-known American capitalists, labor leaders and politicians. This readable and informative book was presented to the library in memory of Mrs. William Hillebrand.

Wisconsin Friends Visit
Bud Holtz Here Monday

Bud Holtz was pleased to have one of his home town friends, Joe Meighor, of Winneconne, Wis., drop in for a visit Monday. Meighor, the road commissioner and members of the Winnebago county road and bridge committee came down to study a highway three miles north of Antioch in Wisconsin and being that near to this village, came on to visit Bud. They all dined together at Otto Gruner's steak house.

Winneconne, Holtz' home town, and Antioch have played much basketball together, and in the past year have turned to intercity bowling.

Church to Have Festival
Permission to hold a carnival on July 31, Aug. 1, 2, and 3 was given the Holy Name society of St. Peter's Catholic church by the village board this week. The festival will be situated at the rear of the church. The proceeds are to be placed in the fund for a new school building.

Black Gondolas
The great council of Venice passed an edict in 1562 making black the compulsory color of gondolas; before that period they were a variety of colors.

Permits Sitting
A good sit-down arrangement for a small kitchen is a pull-out board, built under the regular working counter at a level of about 25 inches from the floor.

All Need Exercise
Every person needs exercise, the kind and amount depending upon his work, his physique, his habits and his health.

Aliens May Teach
Aliens, even enemy aliens, are allowed by law to teach in Kentucky's public schools.

First Contacts
Steamships alone provided contact between Alaska and the United States when the territory first was opened by the gold rush of '98. Under an act of congress of May 26, 1900, the army signal corps built 1,740 miles of telegraph line in two years, and laid a cable in the sea from Sitka to Seattle, giving instant communication with remote areas.

FACT
AND
SCRIPTURE

"If we might have a second chance
To live the days once more,
And rectify mistakes we've made
To even up the score.

If we might have a second chance
To use the knowledge gained,
Perhaps we might become at last
As fine as God ordained."

Blessed is the man that trusteth in the Lord, and whose hope the Lord is.
Jer. 17:7.
